

# **Teen Worship Training (TWT) Program**

## **Covenant**

I commit to participating in monthly practices with the music team, to practice homework assignments, to encourage teammates, and to respect the leaders and instructors who dedicate their time and efforts to my development.

I commit to be at every practice on time, and I understand that if I miss more than two practices in any semester I will not be able to participate in on-stage events until the next semester. I will give at least a week's notice when I will not be able to attend with the exception of sickness. I commit myself to use my talents for the glory of God and will set an example of excellence, faithfulness, and the character of God. I commit to reading my Bible and praying every day.

I understand that I can be removed from the teen music training program for any actions that are contrary to this agreement.

Student

## **Parent's Commitment**

I commit to bringing my child to practices and stage events on time. I commit to encourage my child in their training and support the leadership in their decisions regarding my child's training. I commit to help my child follow through with the commitment that they have made and to set an example of godliness, character, and faithfulness for them to follow.
