### L.I.F.E. Groups

L.I.F.E. Groups are gatherings of people that meet throughout the communities served by Hope La Vernia. Each group meets weekly or bi-weekly in a leader's home, workplace, or other familiar location for the purpose of fellowship and spiritual growth. We offer a menu of different group categories and types. L.I.F.E. Groups provide the opportunity to grow in godliness and relationships while sharing a sense they are groups of people that do life together!

We would love to help you get connected with others in our community who share your interests. For more information about our L.I.F.E. Groups, contact Pastor Bobby or Lisa by phone or by email.
