

## eGiving

In addition to giving your tithes, offerings and other financial donations in person at Hope La Vernia or via the mail, you can now make your contributions online! Simply follow the instructions below to donate using a check, debit card or credit card. Schedule automatic payments or select to treat each transaction as a one-time event. Use it to pay your tithes, Missions faith promise, or Hope building commitment. On other pages of our website, you'll have the option of making online payments for purchases and fees for events such as Kid&rsquo;s Camp, Youth Camp, Youth Convention, etc.

Note: Because of the many options available for giving through the PayPal system, it is possible to make a contribution using a credit card. However, if you have a balance on your credit card(s), Hope strongly encourages that you do not choose this method for your contributions. We believe financial responsibility is important in our walk with Christ, and have members of our Staff as well as resources available to help you should you desire financial counseling.
