

## Grow Groups

In their own unique way, Hope's Grow Groups help lead an individual deeper in his/her walk with God, understanding more about His Word, His character, His promises, and how applying this knowledge brings us life in abundance. Our Grow Groups meet in a variety of locations and throughout the year, so be sure to check out the Calendar for the most current gatherings. Click the "Read More" button below to see a list of our Grow Groups. Additional Small Groups may be found under the Connect, Serve and Reach sections of this website. Please contact the church office at 830.779.HOPE or office@lvhope.org if you are interested in participating in a Grow Group and no Group Contact is listed.
